

Starter Pack

Snowshoeing

Snowshoes

- **MSR** – Metal ridges help on ice and steep slopes
- **Tubbs/Atlas** – Good floatation on snow
- Wear with waterproof boots or overboots

Brands: MSR, Tubbs, Atlas

Winter Boots

- Full rubber lower boot
- Good fit but not too tight if you need extra socks for warmth
- Traction for icy trails
- Tall enough to keep snow out or use Gaiters/Overboots up to your knees

Brands: Oboz, Sorel, Columbia, UGG

Gaiters/Overboots

Gaiters

Overboots

- Up to knee if possible
- **Gaiters** – wear over waterproof low boots
- **Overboots** – wear over sneakers

Brands: Outdoor Research, Black Diamond, RAB

<https://www.outdoorgearlab.com/topics/climbing/best-gaiters>

Poles

- Carbon or Aluminum shaft
- Adjustable if going in the backcountry
- Sizing – with hands on grips arm should be a 90 degree angle

Brands: Fischer, Rossignol, Volkl, Leki
